MEMORANDUM FOR: Director of Central Intelligence

SUBJECT:

President's 1965 Legislative Program

- 1. This memorandum is for information.
- 2. In response to the President's Memorandum for Heads of Departments and Agencies, dated 2 November 1964, I do not believe that the Agency has at this time any suggestions for inclusion in the Administration's 1965 legislative program. While there may be several items which at some future time may warrant consideration for legislative action, such as technical amendments to the Central Intelligence Agency Act of 1949, these are not of the type anticipated in the President's memorandum for inclusion in the President's State of the Union message.
